Once you have selected your payment option, you will be selecting your preferred payment method.

We are offering two payment method options:

- A) PayPal
- B) PayMyTuition

We recommend using Paymytuition for payment as it does not include any processing fee if you select "local bank transfer" and it supports transactions up to 180+ countries. If you are unfamiliar with the payment process, you can check the option "Check Paymytuition guide first" below. We provide a detailed guide for using Paymytuition.

Important Note: The use of credit cards and e-wallets will include convenience fees to your quote. These fees are charged by the payment processor for the use of these payment options. We may have the right to require full payment.

Step 1: Select Installment options > Plan > Payment Method

Once you have selected installment options, you will see the installment plan that is presented in this page.
